

**Thursday 8 November – Friday 9 November 2018**  
Rome, Italy

**EJTN ADMINISTRATIVE LAW PROJECT**  
**Judicial Training on EU Competition Law**

With financial support from the Justice  
Programme of the European Union

One day-and-a-half training comprised of three half day sessions. One session foresees a working groups workshop on the specific topics of Collective Dominance, Innovation and Inequalities and Sector Specific Regulation. The training aims at providing judges already dealing with competition cases with a deeper knowledge of the following topics: judicial review on antitrust decisions, the relationship between Competition Law and Sector Specific Regulation, digital economy, competition, innovation and inequalities, public and private antitrust enforcement, state aids. Speakers are expert practitioners and trainers who will present their report on the selected issues according to a legal and economic perspective.
