**09:30 The current call for proposals on judicial training of the European Commission: an overview**

*Speaker: Cornelia RIEHLE*

This presentation will offer an overview on the current call, its deadlines, and priorities. Furthermore, it will shortly explain the process of applying under the call starting from what must be considered already at the application phase, what type of project is suitable, what is the role of the partners, what is to be expected from my institution about financial and human resources? Furthermore, the presentation will outline the forms, templates, and platforms to be filled-in to file an application for co-financing, the registration on the EU's Funding and Tenders Portal as well as the forms for reporting to be filled-in after the implementation of the project. Finally, we will shortly explain budgetary issues of a project seeking co-financing and take a look at the budget forms to be filled-in.
